

MYOB RetailReady

An end to end software and hardware solution for your retail business

MYOB RetailReady contains all of the essential software and hardware peripherals you need to start running your retail business smarter and more efficiently.

Process Transactions | Maintain a Stock List | Manage Customers
+ Cash Drawer | Docket Printer | Barcode Scanner

Shopping around for a smart retail point of sale system?

MYOB retail products are designed, developed and tested in close collaboration with existing businesses to ensure they meet the specific needs of retailers.

MYOB RetailReady includes:

- MYOB RetailBasics software
- Posiflex cash drawer
- Posiflex docket printer
- Posiflex barcode scanner

MYOB RetailBasics

This software contains Setup Assistants to help you start trading as soon as possible. And when it comes to "doing the books", you can easily transfer data from MYOB RetailBasics to MYOB's accounting software (PC & Mac).

Processing sales

Whether you're already running a retail business, or are about to get started, processing sales is a fundamental part of the business. Although a cash register can do the job, it has its limitations.

Rather than guessing where your business is at, MYOB RetailBasics can provide you with accurate information about the performance of your business.

With a few key strokes MYOB RetailBasics enables you to:

- Process transactions
- Cash up in minutes, not hours
- Manage customers
- Add peripherals

Posiflex cash drawer

- Tamper-proof casing
- Removable cash tray
- Three-position lock
- Cheque slot

Posiflex docket printer

- High-resolution thermal print head that quietly prints
- Easy drop-in paper replacement and print head cleaning
- Partial or full auto-cut capability
- Can control up to two cash drawers

Posiflex barcode scanner

- CCD long-range technology
- High decoding capability
- Auto upper/lower case
- Low power consumption

MYOB RetailReady factsheet

Make more informed business decisions

MYOB RetailBasics gives you business information at your fingertips, so at anytime you can analyse:

- What stock items and services are selling
- When and how much is being sold
- Which staff member is selling what and how much
- Historical transaction information

Manage customers

- Add, edit, delete and search for customers
- Print customer lists
- Link transactions to customers
- View customer transactions

Hardware

All Posiflex hardware comes with a 12-month manufacturer's warranty.

Software

MYOB RetailBasics can be accessed for up to 45 days without activating the program. However, after 45 days of use without activating the program, any information you have entered will only be available in a read-only format.

System requirements

Windows 2000 or XP

- PC with Pentium III processor @ 500MHz or better with 128MB RAM
- Video card capable of 1024 x 768 and at least 256 colours
- 1GB or more of free hard disk space
- Windows-compatible printer
- CD-Rom drive
- Serial port

Try before you buy

The best way to experience the power and ease of use of MYOB software is by trying it.

MYOB free trial versions give you the option to use the full functionality of the products for 30 days (45 days for MYOB RetailBasics) or take an instant TestDrive online.

Once you have evaluated the software you can transfer to the full product whilst maintaining all the data entered during this trial period.

FREE introductory Telephone Support

Learning any new software can be a little daunting, so for that little extra peace of mind MYOB gives you 30 days of FREE introductory support, starting from the day you register your product.
